## Your Questions Answered

### Why might your service be better than someone else's?

WestWon are a truly Independent finance company providing access to over 50 specialist banks and funders. Apart from this unparalleled funding panel, ultimately what sets us apart is our approach.

We treat each customer as an individual using our expertise to gain the best solution to suit their specific needs. Customers who have been refused credit elsewhere speak of our willingness to understand their business as the main reason we successfully secure the funding they need.

### What financial products do you offer?

Every form of lease is available from WestWon. Finance leases are extremely popular given their tax benefits, but we also provide lease purchase options and operating leases where applicable.

We also provide complimentary financial products including cash flow finance (both factoring and invoice discounting) and insurance.

### What sectors do you specialise in?

All types of organisations, in both public and private sectors, use WestWon to help them deliver vital projects. Leasing provides them with the essential assets they need more efficiently and cost effectively than using capital.

### Do you have examples of projects you have worked on?

We are proud of the value we deliver. You can find numerous examples of the work we have done to help our customers in the case studies section of our website. Visit [www.westwon.co.uk](http://www.westwon.co.uk)

### Can I speak to someone who has used WestWon?

Absolutely! We would be delighted to put you in touch with your peers who have used our services. Once we understand your specific needs, we can match you to a customer with similar requirements for you to talk to. Just ask your WestWon contact for details.
