## The Role Expanded

We are seeking Territory Account Managers to build and develop relationships with used vehicle franchises, progressing them to recommend WestWon's vehicle funding to their customers.

Once you have built their trust, your focus will be on supporting their customer's finance agreements. Our internal team will handle a lot of the paperwork, we just need you to dig up the new business leads and manage them through the sales cycle.

Working as a 'hunter' you will uncover finance opportunities over a defined territory and over time become an account manager, spending your days speaking to your accounts that you have built a relationship with.

## Still unsure

Please visit the careers page on our website and read some testimonials of our employees. Alternatively, please read our reviews on Google and on our website via Boom Reviews to see how we operate as a company.

Please give David Holley a confidential call on 01494 611 456, he would be more than happy to discuss more about the role, our company and your requirements.

## Key Responsibilities

- Looking for autonomy in a role, a position where you have a lot of flexibility?
- A person that enjoys and has the ability to be out meeting new clients three days a week?
- Searching for a sales role where you can build long term relationships with clients?
- Fun, full of energy, happy to be part of a team, focused on earning a great salary?
- Looking for a great job, an amazing career where you can add real value to your clients?
