## ✓ The Role Expanded

We are seeking a Corporate Account Manager to build relationships with clients of WestWon's who've done leasing business in the past. The customers will have done business with other leasing company's that WestWon has gone on to acquire. We are looking for a capable individual to welcome these clients as a customer of WestWon's.

Once you have introduced yourself and built up their trust, your focus will be on supporting the client with existing leasing agreement queries as well as assisting the client on the leasing of future equipment purchases.

## Still not sure?

Please visit the careers section under the About Us section and read some testimonials of our employees. Alternatively, please read our reviews on Google and on our website via Boom Reviews to see how we operate as a company.

Please give George Shillingford a confidential call on 01494 611 456, he would be more than happy to discuss more about the role, our company and your requirements.

## ? Are you...

- Looking for autonomy in a role, a position where you have a lot of flexibility?
- A person that enjoys and has the ability to be out of the office meeting clients?
- Happy to work from home or our office in High Wycombe?
- Searching for a sales role where you can build long term relationships with clients?
- Fun, full of energy, happy to be part of a team, focused on earning a great salary and uncapped commission?
- Looking for a great job, an amazing career where you can add real value to your clients?
